

Democratic Campaign Committee For Milam County Is Organized

Our Town

Editor Cooke of the Rockdale Reporter suffers from allergic coryza. In his own blunt way he calls it hay fever. At first, from the terrible picture he painted of its symptoms, it looked as though it might have been something else, perhaps another 'sad case' brought on by the campaign. We are sorry to find, however, that atopic is no respecter of persons and has been known to attack good people on our side and is not confined to those who voted against our nominee of the Convention.

Never having known the pain and penalty of hypersensitive reaction as manifested by that select group of biological reactions that occur in man we cannot fully sympathize with suffering of our co-laborer in the Fourth Estate. We find on investigation that hay fever has claimed many victims and it is for their benefit as well as Editor Cooke that we undertake in all seriousness a timely discussion of its seriousness.

It is not generally known among laymen that Hay Fever is hereditary. Pollens are the most important factors when air-borne but medical authorities have established that most any pollen will produce re-action sufficient to cause hay fever in individuals whose supersensitiveness bring them under the general classification of addicts. The earliest known research to determine both the cause and remedy for Hay Fever was in 1819. In 1873 Blakley, a victim used extracts of pollens on himself and was able to thus precipitate an attack. Subsequently it was conceived that the pollen contained a toxic albumin and an attempt was made to immunize horses against it. Based upon experiments serum from horses was used for treatment of Hay Fever and was sold under the trade name of "Pollantine." Later authorities have made considerable headway in treatment of Hay Fever with injection of extracts of pollen and since that time which was in 1915 a considerable amount of successful work has been done in treatment.

There are seasonal types as well as perennial types of Hay Fever victims and it has been proven that it may exist at all times of the year with the specifically sensitive person. The first seasonal type begins at the end of March or early April and extends to the end of the month of May and this type is due almost entirely to pollens of trees. The second type begins at the end of May and extends into the middle of July and is caused almost entirely by the pollens of grasses and is designated as the summer type. The third or fall type begins in the middle of August and continues until frost. Treatment usually resorted to is climatic change. The victim may obtain relief if he flees the pollen areas embracing timber, grasses and growing vegetation and goes to the ocean. The fall type is usually brought about by rag weed pollens.

Strange enough is the fact that in no sense has the medical world been able to discover a cure for Hay Fever. Relief is often uncertain but on the whole progress has been made to mitigate its irritating effects and pain. Hypersensitive individuals may not hope to escape in every instance without suffering all seasonal attacks. It has been proven that the Hay Fever victim affected by the spring seasonal type may continue a victim through all the seasons by reason of his hereditary susceptibility. Only in a relatively few cases have complications been severe enough to warrant special treatment. It is also established that Asthma symptoms are kindred conditions to Hay Fever.

There is no particular locality in which the patient may hope to get relief from Hay Fever of the spring and summer type except upon the ocean. Patients suffering from the autumn type find relief in the White Mountains, on the coast of Maine, in

IT IS A LIE AND A LIBEL.

Setting a precedent for poor sportsmanship in an orgy of ignorance and slander, Ross Sterling, Governor of Texas by deception and guidance of vicious spoilers, has questioned by direct charge and implication the honesty and integrity of a half million of the best citizens that ever lived on the soil of Texas.

He has, through his agents and operatives, made sport of the ballot box and attacked the right of suffrage guaranteed to every man, and not satisfied with having done that, the blundering ignoramus, believes the broad principle of human rights is only commensurate with a few dollars and a bunch of lies.

He has said that 130 counties in Texas and their peoples are guilty of felony under the law. He has charged by direction and indirection that the people in those counties should be cited as thieves and ballot box stealers just because they did not vote for him. Milam county is one among the number. We rise in protest. The good and honest citizenship of Milam county are not guilty.

It is a lie and a libel.

The astounding developments in the suit at Austin have revealed the most amazing attempt to defraud the majority vote of Texas ever known among intelligent people. Slander and abuse, ignorance and vicious disregard for justice are entrenched in this brazen effort to forever defeat public voting and popular expression and choice in Texas. If they get by with it, the ballot box is a defunct institution in Texas and no honest man will ever again manifest interest in the payment of his poll tax or give serious consideration to casting a ballot. But the unconcerned people of Texas, now face to face with the problem of preserving their rights under free suffrage, will find another way to drive the spoilers away from their seats of government and from their treasuries and their places of responsibility.

The Herald defends with all its depth of resentment this unkind, unwarranted and false slander of the great, fine people who make up the citizenship of Milam county. The Herald would do this as a matter of justice whether its political beliefs had fared well or ill at the polls. The Herald counts it a privilege to protest and to scourge these scoundrels who would traduce in palpable violation of every principle of decency and fair dealing, the good name of our people and especially those patriots in the cause of better government who voted for Mrs. Ferguson for Governor.

Sterling has said that election managers in Milam county are thieves in that he lists the county among the criminal group. He charges that 50,000 votes were cast by crooked election managers who marked the tickets for voters and marked them for Mrs. Ferguson. It is a lie and a libel. He charges that 2000 felons voted for Mrs. Ferguson while he released them from prison to aid him in his campaign. It is a lie and a libel. He charges that 20,000 negroes voted for Mrs. Ferguson and he has not seen a single ballot cast in Texas and if he has he has committed a felony. It is a lie and a libel. He has charged that many thousands of people voted without paying a poll tax; that they were not entitled to vote. He is ignorant of both the law and the facts. They are voters over and under age and legally exempt. It is a lie and a libel.

In two voting precincts in Milam county—Cameron and Thorndale—454 names are listed and have been filed in court at Austin as proof offered by Sterling that he lost the election by illegal practices on the part of Ferguson supporters. In Cameron 354 are listed by name, in Thorndale 130 are listed by name. There

COUNTY CHAIRMAN IS FIRST SHAREHOLDER IN MILAM FOR ROOSEVELT

J. B. White, Democratic County Chairman of Milam County, announced today that James Farley, Chairman of the Democratic National Committee, in conjunction with the Executive Committee has designated him as the first member in Milam county of "Shareholders in America," a movement designed to elect Franklin D. Roosevelt and John N. Garner.

Mr. White said he received today his membership and official Roosevelt-Garner Medallion, which is the official insignia of Shareholders of America.

The medallion is a real work of art bearing a profile of Governor Roosevelt and Speaker Garner. It was created by Gutzan Borglum. Mr. White said that he expected to be a sponsor of Shareholders of America in Milam County, and give every supporter of Franklin Roosevelt an opportunity to procure one of these medallions. He said anyone would be proud to display it and would further want to preserve it as a souvenir of the campaign.

"This plan for raising funds," said Mr. White, "is in keeping with Roosevelt's idea of making this the People's Campaign. The medallion sells for \$1. Any person desiring a medallion can communicate with Mr. White at Cameron. Mr. White is seeking volunteers to cooperate in this campaign. Anyone who is willing to help the cause of Roosevelt can communicate with him at County headquarters.

Franklin Roosevelt became the first Shareholder in America Sunday afternoon at his home in Hyde Park.

TWO RECEIVE PRISON TERMS FROM COURT

State of Texas vs. Oscar and Charles Allen, 4 cases each, for assault with intent to murder, assault with intent to rob, and rape, plead guilty and the jury assessed penalty at 25 years each in the penitentiary.

State of Texas vs. Pedro Chandler, charged with theft of an auto from Wm. Krause who resides near Burlington, plead guilty and was given two years in the penitentiary.

S. W. Dees, charged with cattle theft, tried last week, case continued on application of the defendant on account of not being able to locate a witness, Frank Black, of Bell county from whom Dees alleges he bought the cattle. Case re-set for October 24.

RIGHT OF WAY FUNDS PLEA RENEWED; CITY MUST HAVE HIGHWAY

Need for construction work on Highway No. 77 was stressed Monday night before the Commercial Club, the discussion renewing somewhat efforts to have the Commissioner's Court furnish funds for the right of way from Cameron to Burlington and the Falls county line.

An item of \$5000 was requested placed in the budget of the county to pay for the right of way but the court explained it had no way of anticipating funds with which to pay the sum. A committee from the Tax Payers League opposed.

Retiring President Giles L. Avriett who is county auditor said that if the club could show some means of obtaining the money he felt the sum would be appropriated.

Early Cameron Story

T. S. Henderson said he regretted the stand of the Auditor and the court and felt that the county should issue its warrants to pay for the right of way, so important is the road. Highways he said were as important now to a town as railroad lines were in the Eighties and here told the story of the Santa Fe building into Cameron. There was a controversy over the location of the depot. Land owned and then located near the present site of the Presbyterian church was held at a higher figure than the citizens wanted to pay. He said the opinion was generally expressed that to locate the depot at its present site

L. VAN PERKINS RETURNS FROM NATIONAL LEGION MEETING IN PORTLAND

L. Van Perkins, delegate from this district to the National Convention of the American Legion in Portland, Oregon, has returned to Cameron.

Mr. Perkins is an active Legionnaire and will be offered by his comrades of Edwin Hardy Post No. 9 for State Commander at the next meeting.

A special courtesy to the editor of The Herald and other friends was the mailing of four issues of the Oregonian published at Portland. This newspaper gave all details of the convention. Mr. Perkins reports an enthusiastic meeting and a fine attendance from all over America and foreign countries.

Texas, he said, was not showing the effects of the depression as much as some parts of the west.

The convention will be held in Chicago in 1933 where the great World's Fair will be held.

HEALTH COUNCIL WILL HEAR SANITATION TALK

Milam County Health Council is bringing Miss Edna Southard, Sanitary Instructor of State Department of Health, to address women of Milam County on October 4, regarding Home Sanitation.

Miss Southard is particularly interested in malaria control, and is well qualified to handle the subject, having worked and studied under nationally and internationally known experts.

She has had both practical and technical training and in addition being a sanitarian of note is an expert malaria microscopist.

At the request of the Health Council, Miss Southard will discuss three important phases of home sanitation, screening, sewage disposal and a safe water supply.

You are cordially invited to hear and to meet Miss Southard at Cameron Country Club next Tuesday, October 4 at 3 o'clock.

BURLINGTON SUPPER TO BE HELD SUNDAY OCT. 2

Unfavorable weather conditions of last Sunday caused postponement of the sausage and chicken supper to have been held at Burlington.

The supper postponed for one week will be given Sunday, October 2, 1932 beginning at 5 p. m.

The supper will be given under the auspices of members of St. Michael's parish and will be held at St. Michael's school building. A small admission charge will be made, 25c for adults and 15c for children. Chicken and sausage will be served and other foods as well with refreshments.

St. Michael's at Burlington and her people are noted for their hospitality and on next Sunday will be hosts to the people of this section, a cordial invitation to whom is extended by the members of the Parish and the committee in charge of the supper program.

Mrs. Slovacek and Mrs. H. Hyer of Buckholts paid a visit to Cameron on Saturday.

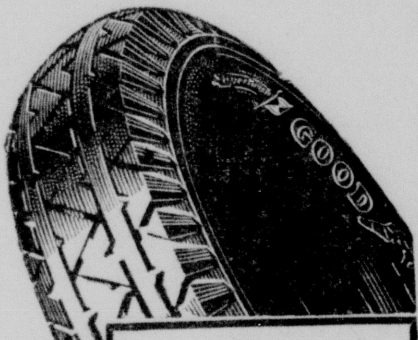

THIS IS STILL MORE IMPORTANT

A number of our readers took advantage of the subscription offer last week. Three years for the price of two, or one year for one dollar. The management had hoped it would not be necessary to mention this matter again. Postage rates are higher and besides it should not be necessary to mail statements. We are extending this offer and calling your attention to the delinquency of your subscription. Will Modern Jazz Music Become Classic of the Future?

Singers Think Radio Performers Do Not Fully Appreciate Modern Method

New York City.—Will our grandchildren speak in awed tones of our jazz as classics? Lulu Quinn Weyant and Ethel Horton, nationally famous radio performers, think they will.

"I am sure that we here in America do not hold jazz any more lightly than Germany held Wagner in his youth," declares Lulu Quinn Weyant, who speaks with the knowledge of a music teacher. "There has never been a single innovation or great step in any art that the same thing hasn't happened and jazz must be an art or it could never have become the universal language which

it has," explains Ethel Horton, pianist of the team. "For the first time in history there is an international music. Not understanding its universal appeal we speak of it lightly and often razz it. Yet we are right in the midst of what is probably the world's greatest forward step, musically."

"True, many of the numbers are trivial, especially novelty songs, but they have their niche in the scheme of artistic development. 'Around the Corner,' new novelty song, is an exception and a distinct contribution. For one thing, it has a new type of lyric which is especially marvelous for singing. It is in the class of 'Pop Goes the Weasel,' which has existed since before the advent of the Pilgrims and which we think of as a real classic. Probably our generations hence will be singing 'Around the Corner.'"

COMMERCIAL CLUB NAMES OFFICERS

The following members were present at the Commercial Club meeting Monday night: Giles L. Avriett; H. P. Culpepper, J. W. Coleman, B. F. Reichert, John C. Young, August Horstmann, Leland Green, George Gott, E. C. Cole, George Banzhaf, T. S. Henderson, J. B. White, L. Van Perkins, Frank Lesovsky, Bassett Watson, Hilrey Stedman, M. G. Manning and W. M. Cobb.

Minutes of last meeting were read and approved. George Banzhaf, chairman of Agriculture Committee reported a proposed tour of county to inspect terracing and soil saving dams also trench silos on Thursday, September 29, accompanied by A. K. (Dad) Short, of Federal Farm Bank, Houston; M. R. Bentley, Extension Agriculture Engineer and G. W. Johnson, District Agent and interested farmers and business men.

Tour will start at Rockdale at 9 a. m. Those from Cameron will leave court house at 8:15 a. m. The following places will be visited: Fifer Caudle, orchard and terraces; Ed Simms, terraced farm; J. W. Garner, soil saving dam; Geo. T. Graves, a trench silo, arriving in Cameron for lunch at noon. The farms of Dave Link and Shep McClarren and others will be visited in the afternoon and talks will be made by Messrs. Short, Bentley and Johnson. Business men are urged to attend. Funds to pay for lunch were authorized.

Election of officers being declared in order, the members were elected: C. E. Akers, president; Leland Green, vice-president; L. Van Perkins, 2nd vice president; August Gurecky, treasurer.

Twelve directors were elected by ballot from 25 nominations, as follows:

August Horstmann, Giles L. Avriett, J. W. Coleman, F. S. Lesovsky, John C. Young, B. F. Reichert, George Banzhaf, E. C. Cole, Geo. Gott, H. P. Culpepper, J. B. White and Hilrey Stedman.

While waiting for the results of the election, Judge Henderson was called on and made an inspiring talk complimenting the Commercial Club for its fine work in the past, and offering a resolution thanking the local editors for the loyal support of the Herald and Enterprise for the club's programs and all other movements for the upbuilding of Cameron and Milam county.

Mr. Lesovsky called attention of directors elect to the importance of attending all meetings as a duty devolved upon them when they accept such election. He also told of the Club's work in urging the acquiring of right of way from Elm Creek to Burlington on U. S. Highway 77, to rebuild which road an initial appropriation of \$53,000 has been made by the State Highway Commission.

Mr. Coleman presented Mr. Tarver who is organizing a burial association and asked that his proposition be

QUICKER, BETTER RELIEF from use of Black-Draught

"I have taken Black-Draught, off and on when needed, for twenty-five years, for it is easy to take," writes Mr. George T. Wharton, of Petersburg, Va. Speaker Gives Praise To Cameron Papers

Cameron newspapers were praised by T. S. Henderson at the meeting of the Commercial Club on Monday night for their work in giving publicity to Cameron and the efforts of the club.

He said the papers have more influence for city building than any other agency. He expressed the hope that the papers would lend their cooperation and said that any movement sponsored by the press could be successfully terminated.

Both Cameron publishers were present and Mr. Reichert expressed his appreciation and desire to co-operate.

JONES PRAIRIE

By MRS. P. K. FONTAINE

(Delayed From Last Week)

T. B. Stidham and family shopped in Dallas Wednesday.

Miss Hallie Jamison is attending San Marcos this year.

Mr. and Mrs. Sam Hickman shopped and spent the day in Cameron Thursday.

S. Harrell was on the grand jury last week.

Mrs. C. J. McLerran and children returned to Waco last week from spending the summer here on their farm.

Miss Mary Tom Stidham left Friday for Austin where she will enter State University.

The Worth While Club met Tuesday with Mrs. W. J. Fontaine, with 14 members and two visitors present. Club discussed the meeting for Tuesday, September 27, which will be an all day meeting at the school house. Everyone is invited, beds will be arranged for the planting of flowers and shrubs. A play is to be given to raise money to buy the new Year Books. A committee of Mrs. Lee Marek, Mrs. Alma McKinney and Mrs. Sam Hickman was appointed to select play and assign parts. The book we are studying had not been given to all members on program so that program will be given later. Club adjourned to meet September 27 at the school house. Dinner will be served on the grounds. A contest conducted by director Mrs. Rodney Fontaine was given a prize to be awarded to Miss Ethel McKinney.

Mrs. John Sinkel of Cameron announced the arrival of a 10 1-2 pound baby girl. Mrs. Sinkel before her marriage was Miss Annie Patke.

Perry Tindall and family of Calvert spent Sunday at the Tom Stidham home.

Roxie Crook left this week for San Marcos.

Chas Fontaine and wife and brother, Vernon, spent Sunday at the J. P. Fontaine home here.

Mr. and Mrs. Goldie Russell announced the arrival of a son, born Monday, September 20. He has been named Marvin Lindle.

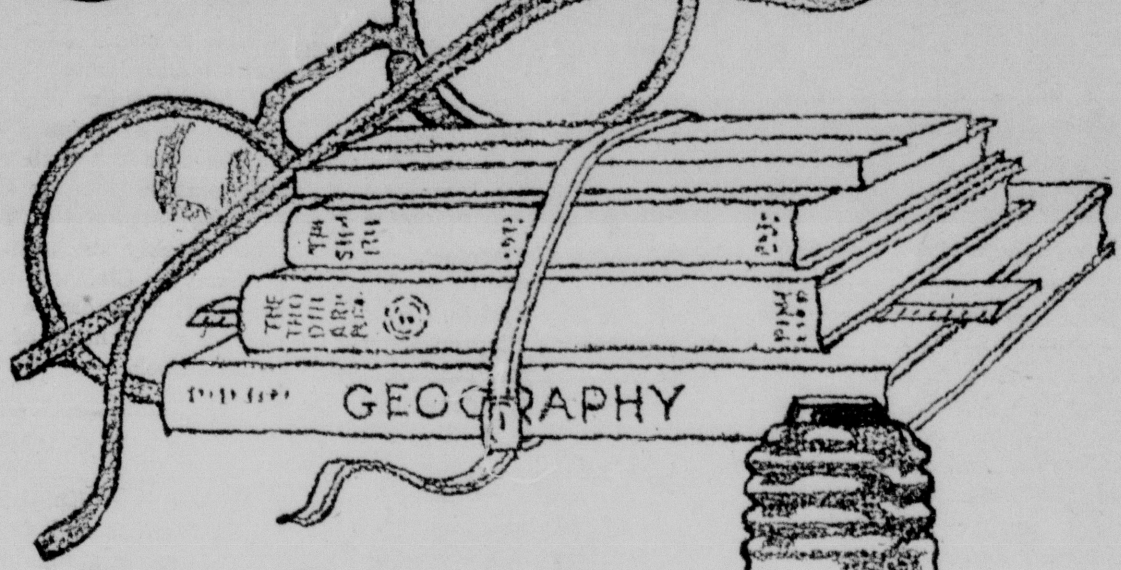

CORINTH 4-H CLUB

It was a day well spent when the Corinth H. D. Club, a number of school patrons and quite a few boys and girls of the community, with Miss Bartholomew, County Home Agent and George Banzhaf, County Agent, began the work of beautifying the Corinth school grounds. Grading was done, walks laid off to be graveled later, fertilizer enriched the wide beds prepared for the December planting of shrubs and evergreens. A delightful lunch was spread at the noon hour which needless to say was enjoyed by the workers. After most of the yard work planned for the day had been completed, the club, with Miss Bartholomew held a brief session in the school building. It was decided to select and procure a short play and that the club present this play on October 31, a small admission fee to be charged to provide means for forwarding the club work.

Miss Bartholomew made a black board diagram of school yard showing where shrubs should be set and an instructive talk on the selection of same.

In view of the fact that Achievement Day, October 10, is not far distant, her suggestions for making attractive gifts from pantry for the gift table were helpful as were others on the various exhibits.

GLASSES -

OR GOOD LIGHTING

Children's eyes are delicate. They need special consideration. Scientists tell us children's eyes are more susceptible to eyestrain than grown-ups. So give *your* children's eyes a chance. A little thought on your part about home lighting may save them from wearing glasses later on.

Here are a few general rules to follow: Have light in adequate quantity and correctly diffused. All lights should be shaded so you are unable to see the light bulb. Some general illumination is most desirable in addition to portable lamps. When portable lamps are used for reading or study they should be so placed that there is adequate illumination on the work with the light coming over the shoulder.

Four electric bills were itemized, we would then see that lighting is really only a small part. So accustomed have we become to the other electric services that we sometimes forget how many times a day electricity serves us. It makes our toast in the morning. It sweeps the rugs. It washes the clothes. Then it irons them. Considering the time and labor it saves, what other money do we spend which brings greater returns in comfort and convenience?

This is a specimen of writing with the newest Remington -- a type style really appropriate for correspondence and other writing work in the home.

Has standard 4-row keyboard and other features to make typewriting easy - writes as speedily as any other typewriter.

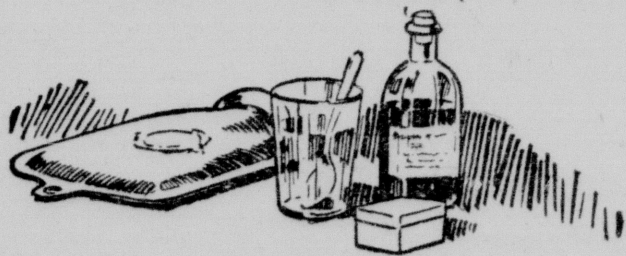

It is built by Remington, in the same factory, by the same workmen, and with the same care as familiar Remington office models. Light in weight, it can be carried anywhere in its convenient carrying case.

Florida, California and Europe. The specific treatment of Hay Fever with pollen extracts is well established. Each individual is typed according to sensitiveness and usually the injections are made about ten weeks in advance of the expected attack. Increasing doses are given at weekly intervals.

The non-seasonal type of Hay Fever known as perennial differs from the seasonal type in the fact that the types are not regularly seasonal but may be continuous throughout the year. Perennial Hay Fever or Vasomotor Rhinitis is responsive to the following excitants: Absorbed by inhaling: Animal danders, horse, cat, dog, rabbit, goat, cow, chicken, duck, goose. Vegetable powders: Orris, rice, corn, wheat, seed of cotton, dust of hay and straw and house dust. Absorbed by ingestion: Foods: milk, egg, fish, shellfish, nuts, chocolate, coffee, buckwheat, celery, bean. Drugs contribute also: Quinine, aspirin, ipecac, senna, iodine, morphine. So we can see by the lights of research from our medical world many things of interest concerning the ailments of us mortals.

THORNDALE YOUTH DIES FROM BULLET WOUND; SUICIDE IS VERDICT

Douglas Caesar, aged 21 years, who resides with his mother, Mrs. Nellie Caesar, in the Hare community, about 5 miles northwest of Thornale, took his own life at the family home on Tuesday evening at about 7 p. m., when he shot himself with a .45 calibre pistol. The young man lived until 11 p. m., however, he was unconscious during the intervening four hours. The bullet that ended his life entered his skull just back of his right ear and ranged upward, coming out just above the forehead. At the time of the tragedy the family were busy about the barn, milking and feeding the stock, and the young man was at the house alone. Upon hearing the shot the family rushed to the house to find the victim laying on the bed fatally wounded and the pistol from which the shot was fired was laying on the floor.

The pistol had been fired twice, however, only the one wound was inflicted, that which pierced the skull and caused his death. According to members of the family they can assign no reason why the young man took his life, as he seemed in his usual spirits, and had worked in the field with a brother until about 6 p. m., on the day of the tragedy.

Surviving, besides his mother, are one sister, Mrs. Mae Stewart, three brothers, Jack, Bill and Fred Caesar.

Funeral services were held from the family home at 3 p. m. on Wednesday of last week with interment taking place in the Taylor City cemetery. The Champion joins the many friends of the family in extending our sympathy.—Thorndale Champion.

Farm Loans Being Paid To Government

Farmers in Milam county borrowed \$18,877.50 from the federal government to finance crops in 1932 and are now paying off the loans. In all there were 234 loans made in April, May and June of last year. They ranged from \$12.00 to \$4000.

Nearly \$4000 of the amount had been paid back up to this week. It was said the Milam section led in loan applications with Gause second and Cameron third. Rockdale was listed as fourth in number of applications.

FUNDS

would just about ruin the town. Cameron was a sprawling village in the sand then, he said, but finally the town leaders of that day gave in and they surveyed the right of way around the gravel rim and placed the depot.

Lesovsky Reports

Frank Lesovsky who served on the committee to ask the court for the funds brought it up again and talked about the merits of the highway. It runs from Canada to Mexico he said. Chances are it might go some other route if Cameron does not wake up to its opportunity. Funds have already been appropriated by the Highway Department he said.

Bond Money Discussed

Distribution of the bond money to be paid back to the county when the State takes up \$600,000 in bonds was discussed. The county, said Mr. Avriett, will begin at once to figure out and submit its bill of refunds to the Highway Department. A. F. Mitchell former county engineer will assist the county in compiling the figures. It was pointed out no money would be paid over but that the state would assume payment of the bonds and the tax rate in the various districts would be eliminated. There are \$425,000 in bonds not affected by the new state law.

LIONS CLUB

At the Lions Club weekly luncheon Tuesday, Walter Humphrey of the Temple Telegram, was the principal speaker and gave a report of the International meeting of the Lions held at Los Angeles, California in July which was very interesting. C. L. Head, principal of the Temple high school and Robert Sparks, manager of the Arcadia Theatre of Temple, pulled off some fun provoking stunts. The Cameron Club will go to Temple next Wednesday and will put on a program for the Temple club at their weekly luncheon.

Cameron Club will hold a director's meeting Thursday evening, September 29 at the home of George Gott at 7:30 o'clock.

K. C. PARTY

Members of Knights of Columbus, their families and friends enjoyed a big 42 party given in K. of C. Hall last Friday night.

Sixteen tables were quickly filled

and a large progressive game was in order.

High scores for the evening went to Leo Laake, C. McCall and Mrs. Vogelsang of Burlington. Many other prizes were awarded to lucky players.

Ed Hess of Burlington and his group of singers in an appreciative way entertained the audience with several popular songs. Ted Matula of Cameron, with his guitar, was also heard in yodelling. All songs were well received and delivered.

Before the evening closed the K. of C.'s served a delightful lunch with ice cold drinks, tea and coffee.

SHARPE

By SANDERS AND BROWN

Although we had bright sunshine the first part of the week, Friday night brought back some rain. It rained all day Saturday and Sunday.

This community has been blessed with lots of fine sunshine for the past week, giving the farmers a fine

chance to gather their crops. Many farmers finished gathering their crops while some have cotton to gather.

Rev. McKinley Norman of Waxahachie, who has been conducting the revival at the Baptist church this week and T. D. Carroll, of Ft. Worth who conducted the singing have been guests of Mr. and Mrs. T. S. Henderson this week.

Visitors in the J. M. Sanders home Sunday were Misses Pearl, Mable and Robt Dean Wagner, Johnnie, Henry and Charlie Brown, Woodson Sanders, George Simmons and Miss Carrie Robbison.

The Sharpe amateur baseball nine is nearing a victorious end. The boys say they will live in hope if they die in despair. We too are living in hopes and we think our "Famous Nine" will come out on top.

Due to so much work the beautiful sunshine brought about, the farm

ers have not had much time to go visiting or to town, so our news will be short and sweet this week.

HOOVER or ROOSEVELT . . . Which?

One of these two candidates is going to be president of the United States for the next four years. Which one will it be? No man knows, but the nation-wide straw vote by subscribers to weekly newspapers throughout the country will show pre-election sentiment in small town and rural America. This newspaper is conducting a straw vote in this territory. Clip the straw-vote ballot in this issue, vote for your favorite and send it to this newspaper. It is a secret ballot and incurs no obligation.

Governor-elect Louis F. Brann of Maine, the first Democratic governor of the state in 18 years, takes the limelight in Eastern states, the National Committee assigning him speaking dates as a result of the surprising victory.

IT IS A LIE AND A LIBEL

(continued from page 1)

are 47 other precincts in the county and each will be likewise slandered and brought into question.

No more honorable, honest, capable or fair minded men and women ever held election in Texas than those who served in Milam county. The Herald knows whereof it speaks; knows it perhaps better than anyone, except those managers and their helpers who safeguarded the ballot box and held a legal election and a fair election on August 27. An election so fair and honest that the smelling committee of Sterling operatives could find nothing wrong and to have been given a verdict of not guilty by the opposition whose complaint is graciously acknowledged with a minimum of resentment, is enough to warrant the feeling that no further defense is necessary for Milam county's election managers and their able assistants. Likewise can all this be said in behalf of the members of the Executive Committee.

An ignorant, irresponsible and incompetent governor, has laid at the door of Milam county grave charges, which, though untrue in every way, gives occasion for righteous resentment. He has slandered the people of Milam county. He has questioned their honor and their integrity. He has laid a charge of fraud upon the white heads of Confederate soldiers; he has hurled into the gentle faces of Confederate mothers a slander; he has traduced the honesty and uprightness of the young manhood and womanhood of Milam county and laid upon the middle aged and the aged the curse of dishonor. It is a lie and a libel.

Such men as these do not lie. They do not steal. They will not resort to dishonor. They are the kind that made Texas. They are the men who followed the star of empire; the men who followed the fortunes of this great state in good and evil times; the men who have always rescued it from men like Sterling and his kind who have plagued patriotism and defied justice from Concord to Flanders, all the way. These men and their kind shouldered axes and carried rifles into the woods to hew and fight out a way for a great people to follow. They knew the generous ardor of conflict and set up the principle of human rights and good government long before Ross Sterling ever pipped his Ku Klux shell on Buffalo Bayou. They must not be classed as ballot box thieves. The Governor should crawl across Texas on his Standard Oil stomach and eat dirt at the feet of his betters whom he has slandered.

The campaign in Texas was one in which the great mass of people achieved victory. The toilers, the farmers, the merchant, the unemployed, the student, the teacher and the thousands who long for hope and for opportunity. Without money and without organization, without power of office and official control; without advantage of hirelings and without authority to impose slavery upon helpless hundreds who must work to sustain themselves and their families; without military forces or rangers; with only hope and sunshine in their hearts, clean as the wind that sweeps the Texas prairies, they marched to the polls—the honest Yeomenry of Texas—and registered an honest ballot, turned over into custody of honest election managers and the prospect of its nullification has brought them to the brink of hopelessness and now in bewilderment they face slander and felonious charges. They will not submit. Right has never given way to wrong. The good people of Milam county will see to it that justice is done and those who would destroy them and reduce them to political slavery shall no longer fare well at their hands. Tea was thrown in the harbor at Boston for less offense. The people, rather than submit to such an outrage will rise in their might and drive the spoilers from the capitol and from every public office in the State of Texas.

No principle, either in law or good politics, is involved in this attempt on the part of Sterling to steal from the people of Texas their right of suffrage and the right of majority rule. Only the premise of falsehood, of deception, slander and rascality is involved. Without the decency to admit defeat and the intelligence to comprehend the great wrong he does to his state and to the principle of honest suffrage, Sterling destroys whatever measure of deference the people would give to one who serves in high place, and walks into the shadows of oblivion, unforgotten and altogether blotted from the memory of men.

Natural GAS

is your
cheapest item
of expense

Natural Gas Service, because of the fact that rates
were not increased when prices generally were on the up-
grade, is STILL the least expensive item in the cost of
running a household.

During the past summer, when gas was used prin-
cipally for cooking and water heating, the cost to many
homes has been little more than the price of a postage
stamp for a daily letter. Even in cold weather when larger
quantities are required to guard the health and comfort
of the entire family the gas bill represents only a small
fraction of the winter household expenses.

In fact, the average gas bill in this section the whole
year 'round is only about 15 cents a day for house heat-
ing, cooking and hot water supply. . . A dependable year
'round service that benefits the entire family and costs
less than the gasoline expense of one small automobile . . .
less than any other necessity that contributes to the health,
comfort, convenience and happiness of your home.

As a fuel . . . as a service, there is no substitute for
natural gas. Take advantage of its inexpensiveness for
your complete comfort this winter.

Boy Scout News

Troop 52, J. A. Lindle, Scoutmaster
Troop 52 held their regular meeting last Thursday night. Due to the switch in our regular meeting night, some boys were absent. There were 10 registered Scouts, Scoutmaster, committeeman Kunz and Richter and three visitors.

Jack Lawrence, Scout executive of the Heart O'Texas Council, Waco was present for this meeting. R. A. Michalka, Grand Knight of the K. of C.'s, our sponsoring body, was also there.

The meeting was opened with the theme song of Troop 52. A talk was made by Mr. Lawrence on activities of the past, present and future. A spirited patrol meeting was put over by Patrol leaders Bob Hensley and Paul Michalka. After the patrol meeting a talk was given by Mr. Kunz on "Our Troop."

At this time Life Scout C. W. Gjedde was introduced as the new Senior Patrol Leader to fill the unexpired term of Scout Ernest Michalka.

Troop 52 will begin work immediately on a worthwhile troop project. The game section was conducted by Mr. Lawrence and the meeting was closed by a talk on Scout Law by Committeemen and Rudolf Richter.

Troop 32, B. L. Archer, Scoutmaster
The boys of Troop 32 held their regular weekly meeting in the Scout Hall Friday night at 7:30. There was a very noticeable increase in attendance and also of interest.

Immediately after the business session the program was turned over

to Vernon Bain, the patrol leader of the Beaver Patrol of Buckholts. His feature was a talk by Mr. McNeil, who is to be connected with the Buckholts school and has had considerable experience in Scout work, the past few years at Orange, Texas. All members of Troop 32 are pleased to know Mr. McNeil has consented to work with us in Scouting.

Roderick Long, patrol leader for the Cat Patrol has the program for next week and we are sure it will be of interest. We urge a continuation of the good attendance.

Troop 53, J. W. Haygood, Scoutmaster
Regular meeting was held Friday night in our meeting place in the club room of the Masonic Lodge with a very good attendance.

Work was continued in the Tenderfoot, Second Class and First Class work, with the Panther Patrol furnishing the program. Mrs. Haygood visited our troop meeting.

We are glad to learn that the Masonic Lodge has agreed to sponsor another Troop, because several boys are on the waiting list and can not be admitted because Troop 53 is full. There will be more information on the new troop in the near future, as it will take some time for this to be put into effect. We are advised that there will be another Court of Honor in the near future, and each Scout should be prepared to receive at least some rank in Scouting or some merit badge. You Eagle Scouts, have you earned enough merit badges to give you a Palm at this Court of Honor? Remember your motto—Be Prepared.

Parent-Teachers To Meet At Minerva

The County Council of Parent-Teachers Associations will hold its quarterly meeting Saturday, October 8 at Minerva at which time the local group will serve luncheon to the guests.

The morning session will be devoted to business and instruction and during the afternoon session Milam county talent will give a program of music and readings. Schools having no Parent-Teacher Association are cordially invited to send representatives.

FARM LEADERS WILL TOUR MILAM COUNTY

A tour of Milam county for inspection of terracing, soil saving dam and trench silos will be made Thursday, September 29.

George Banzhaf, county agent, and chairman of the Agriculture Committee will conduct the tour.

A. K. Short of the Federal Farm Bank will be one of the speakers. M. R. Bentley, Extension Agricultural Engineer and G. W. Johnson, District Agent will accompany the delegation. Business men and farmers will join in.

The club will serve lunch at noon Thursday in Cameron. The tour begins at Rockdale at 9 o'clock in the morning. Those in the Cameron delegation will leave the court house at 8:15. Orchard and terraces will be inspected on the farm of Fifer Caudle and Ed Simms farm will be inspected for terracing. A soil saving dam will be inspected on the J. W. Garner farm.

A trench silo will be inspected on the George T. Graves farm. The farms of Dave Link and Shep McClarren will be visited in the afternoon.

Freshman Class At Yoe High School Elects Leaders

The Freshman class of the Yoe high school met Friday, September 23, 1932 for the first meeting of the year under the leadership of the sponsors, Miss Pitts, Miss Dickard and Mr. Haynie.

Amelia Freeman was elected president of the 1932-33 class. After saying a few words of appreciation she took charge and the following officers were elected:

Vice president, Simmie Smith. Secretary and Treasurer, Sula Mae DePew. Sergeant At Arms, Shirley McLean. Yell leaders, Edna Merle Deer and Clinton Breeding.

Ruby Baylor, Tom White and Joe Newton were appointed as a committee to select a motto, colors, and flower for the class.

After the business proceedings the yell leaders took charge and showed their enthusiasm in entering into the spirit of Yoe high.

Golden Age of Labor

Probably at no other time in all history was the lot of the laborer nearer a "golden age" than it was in the Fifteenth and early part of the Sixteenth centuries. At no time were wages, relatively speaking, so high, and at no time was food so cheap. In England, parliament made constant attempts to reduce the wages, but they kept high and finally became customary. Eventually, of course, living costs mounted and the laborer's lot again approached its norm. But during the years of his paradise the hours were short; eight being the common day's work; the period of winter wages was brief, being December and January; the rate was just as good whether the laborer was employed for a day or a year; and in some cases he was paid for every day including his Sundays and holidays off. —Detroit News.

Wires for Telephones

Just how much business is dependent upon the telephone is indicated by the amount of wire for telephone service which must be introduced into a great office building. In the Equitable Trust building—38 stories high—more than 55,000 cubic feet of lead-covered cable, weighing 23 tons and containing over 9,000,000 feet of wire, were necessary for telephone facilities. Other inside wiring amounted to more than 1,000,000 feet. The Graybar building—29 stories high—has more than 19,500 feet of cable, weighing 13½ tons. The telephone wire in this building amounts to more than 6,000,000 feet.

Labor of Love

"Uncle" Joab Powell, circuit rider of the early days of the Nineteenth century, whose field of operations covered Oregon, as well as Missouri and Tennessee, was not "out for the money." In fact, he took no remuneration, asking only fare for himself and feed for his horses. "Just charge my bill to the Lord," he would say as he mounted his cayuse to ride away from the farmhouse where he had been entertained while preaching in the neighborhood. —Kansas City Times.

Silver Lining

Gen. William Mitchell, of aviation fame, said in the course of a political speech in New York:

"We must always look on the bright side, friends. We should emulate the little girl.

"The little girl had two pets, a cat and a canary, that she dearly loved. But the cat ate the canary!

"Did the little girl despair? No. Looking on the bright side, she said: 'I have two pets in one now.'

BUCKHOLTS

Mr. and Mrs. H. J. Hailes had as guests the past week, her brother, J. A. Witt and family of Roswell, New Mexico.

Mrs. A. G. Mitcham, after a visit with her son, J. M. and Marvin and their families, has returned to her home at Jefferson.

Mr. and Mrs. Buford McMillion were Sunday afternoon guests in the home of Mrs. Mattie English in Cameron.

Mrs. W. G. Bain and son, Vernon, were Temple visitors Saturday.

Mrs. G. F. Peck and children, Jack and Virginia, were Sunday visitors in the home of her sister, Mrs. Ross Dabney and family.

Mr. and Mrs. August Glaser and son, Robert of Salem, were guests in the home of Mr. and Mrs. Fritz Glaser Monday afternoon.

Mr. and Mrs. D. F. Bishop and family were Hearne visitors Monday.

Mesdames John Zawadzke and Anton Raska and Raymond Zawadzke shopped in Cameron Saturday afternoon.

Theodore Bryant of Norfolk, Va., was a recent guest in the home of his grandparents, Judge and Mrs. D. R. Criswell.

Mesdames Sam Mewhinney, J. R. Slovacek, E. B. Hyer, Cecil Criswell, R. R. Dabney and Miss Virginia Dabney were Cameron visitors Monday afternoon.

Clarence Oliver has returned after a week spent in Lubbock.

Miss Mattie Everett has gone to Dime Box when she is teaching this year.

As a result of an accident, while Mrs. Henry Kuzel and daughter, Norma, were going to Buckholts Sat-

urday morning, Norma suffered a severe cut above her right eye from a broken windshield. The car struck a tree head-on, breaking off the bumper and shattering the windshield. Mrs. Kuzel was driving very slowly or the accident would have been serious. Norma was given medical attention promptly and is doing nicely.

Mrs. John Zawadzke, daughter, Miss Viola and son, Raymond, were Rogers visitors Saturday morning.

Much needed work was done on the Corinth cemetery Tuesday.

Mr. and Mrs. Otto Kamenicky were Sunday guests in the home of Mr. and Mrs. Joe Dusek in Cameron.

Mr. and Mrs. Joe Tomasek and children and Mr. and Mrs. Rudolph Provosek and baby were Cameron visitors Monday.

Mrs. E. H. Geistmann and daughter Miss Addeline shopped in Cameron Monday.

Mr. and Mrs. Hugo Fuesell were guests of Cameron relatives Sunday.

Mock poinsettias were used for room decorations and queen's wreath for plate favors when Mrs. Buford McMillion entertained her bridge club Wednesday. Mrs. E. B. Hyer was declared winner of high score. The hostess served a jellied salad with mayonnaise, cheese, crackers and an iced fruit drink at conclusion of the games.

Mr. and Mrs. George Gott and children spent Tuesday night in Temple where Mr. Gott met with the gas company officials.

Begin Taking Cardui Today If You Suffer Like This Lady Did

"WHEN I was a girl, I began taking Cardui," writes Mrs. Maggie Stanfield, of Crandall, Ga. "I was very irregular for twelve months. Nothing did me very much good until my mother began to give me this medicine. Then I got all right, stout and well."

"After I was married, I was in bad health. I began taking Cardui again. I was troubled with my back a lot. Was awfully restless. I could not sleep well. I just weighed 90 pounds when I began taking Cardui. I improved rapidly. Before long I weighed 126 pounds. I felt fine. I was able to do a good day's work."

Cardui is sold by druggists here.

"I've Never Driven
a Car Like the
NEW FORD EIGHT"

"I've owned automobiles for a good many years," writes a prominent motorist, "but I've never driven a car like the New Ford Eight."

"I had seen it on the road and heard people speak of it as a great car. I expected something unusual, but I was wholly unprepared for such smoothness and remarkable riding comfort."

"It's simply unbelievable the way the New Ford Eight glides over the

road. It isn't only that it is fast and quiet and comfortable, but there's a rhythm and a balance to it that I've never had in any car."

Never has an automobile brought such enthusiastic comment from owners. Drive it yourself—today—and let it tell you its own story.

SOCIETY

CELEBRATES 96TH BIRTHDAY

Rev. and Mrs. C. A. Lehmberg attended the reunion of children to celebrate the 96th birthday of her father, J. H. Hempel at Bartlett Sunday, September 25. Mr. Hempel is remarkably strong for his age and takes much interest in happenings around him; and manifested real pleasure in blowing out the candles on his birthday cake.

Mr. Hempel was born in Germany and came to America when 14 years of age and settled in Bastrop county and has resided in Bartlett the past 50 years. There are six living children, Mrs. C. A. Lehmberg of Cameron, J. H. Hempel of Temple, G. A. Hempel, Mrs. A. F. Czarowitz and Mrs. J. F. Kuler of Bartlett, all of whom were present at this happy occasion.

BISHOP QUIN ENTERTAINED

Thompson Kemp was host to a six o'clock dinner Saturday evening in the home of his parents, Judge and Mrs. Jeff T. Kemp, given in honor of Bishop Clinton Quin, Bishop of Texas Diocese of the Episcopal church. The following friends were also present: Rev. and Mrs. J. P. Love, Mrs. Cochran, Miss Agnes Chambers, J. W. Airey of Longview, Judge and Mrs. Kemp. Following the delightful feast a pleasant hour was enjoyed in social conversation.

ZONE MEETING

The Zone Meeting of the Methodist Missionary Society was held Thursday afternoon, September 29 in the basement of the church. Ladies from Rosebud, Ben Arnold, Rockdale, Minerva and Cameron took part on the program. The Cameron ladies served refreshments to all in attendance.

MISSIONARY SOCIETY

Circles one and three of the Methodist church met in the home of Mrs. R. L. Batte Monday afternoon. Miss Jessie Guffey led the lesson. There were 14 members present.

Groups two and four had Mrs. R. H. McIntosh as hostess with 18 in attendance. A short business session was led by Mr. Joe Mohler. Mrs. McIntosh led the Bible lesson, assisted by Mesdames Olie Gaston, J. W. Kemp, W. O. Triggs, Julian Baskin and Miss Mollie Moore.

Members of circle two were hostesses to a social hour. They will meet next Monday at church for mission study.

BAPTIST W. M. S.

All circles of the Baptist church met at the church for Royal Service with Mrs. Larry Hackabeil as leader. There were 35 ladies in attendance. The ladies of the Eunice Taylor Glass circle served sandwiches and ice tea.

Next Monday the Milam County W. M. U. meets at 10 o'clock in an all day session at the church. Mrs. Wilson Gunn, president of the County Workers, will preside over the meeting. The ladies will serve dinner Monday at the church. Immediately after the County Meet the local organization will meet for a business session which will be the first day of the week of prayer, to be continued during the week at 3:30 p. m., until Friday.

ST. RITA'S CIRCLE

The St. Rita's Circle held an interesting meeting Wednesday at the home of Miss Ola Richter with 17 members present, and three visitors, Mesdames Frank Hanel, Albert Richter and August Kunz. A neat little sum was reported to have been made on the rummage sale held last

Saturday. The following ladies served on different committees: Mrs. B. P. Matocha, Mrs. Robert Busker, Mrs. Ralph Michalka, Mrs. Joe Hibner, Mrs. A. S. Valenta, Mrs. A. J. Matocha, Mrs. Chas. Sense, Mrs. Wm. Balhorn, Misses Mary Ellen Manning, Miss Amelia Mondrik, Miss Ola Richter, Mrs. Rudolph Richter, Mrs. Jerry Mkuia, Mrs. Frank Michalka. Mesdames Albert Matula and August Kunz were added as new members. Next meeting will be held with Mrs. A. J. Matocha.

After being dismissed by Mrs. W. G. Gillis a social hour was enjoyed.

CHURCH PROGRAM

Program for annual Rally Day services at the Presbyterian church is being completed this week and will be given Sunday morning at 9:45 and concluded at 11:30 o'clock which will include the Sunday School and morning services combined. Judge Gillis Superintendent, will be in charge. The Sunday school will convene at 9:45 and march by classes into the main auditorium for the Rally program.

Following the Rally services, Rev. Acree will briefly open the Evangelistic meeting which is to be concluded October 16. Members of the Presbyterian church are urged to support the meeting by attendance, prayer and personal work.

JOINT PARTY

Owing to the heavy rain Friday, the ice cream supper to have been held on the lawn of the Methodist church by the Wesley Bible Class, was given in the basement of the church, and was joined by the Senior Leaguers who met at the same place for a social event.

Game leaders, Miss Ima Wilson and Rev. W. W. Connerly kept up a lively interest among the guests. It was a very pleasant affair for those in attendance. The members of the Wesley class served ice cream and home made cake and received a small sum which will be added to the church debt fund.

TRIPLE FOUR CLUB

The Triple Four Contract Bridge Club held its first meeting of the season Wednesday afternoon of last week with Mrs. Julian Baskin and named officers for the coming season. Mrs. Eber Flinn was elected president and Mrs. George Childress Jr., secretary. The club will meet the first and third Tuesday's of each month.

GOOD CHEER BRIDGE CLUB

Beautiful fall roses and verbenias in baskets and bowls carried out a pretty pink and green color scheme when Mrs. Ray Burke entertained the Good Cheer Bridge Club Friday afternoon at her home.

This was the first meeting of the club for this season and a merry time was spent over the games, when completed found Mrs. H. E. Garner holding highest score. Mrs. J. S. Childers was consoled with low. Three new members were welcomed into the club, Mesdames J. L. Barmore, W. G. Harsha and Winnie Wittliff, who recently moved here from Dallas. Special guest of the club was Mrs. Harry Tag.

Small dresden baskets filled with pink verbenias lent beauty to the large serving trays where a dainty salad course was served by the hostess assisted by her sister, Mrs. Plate.

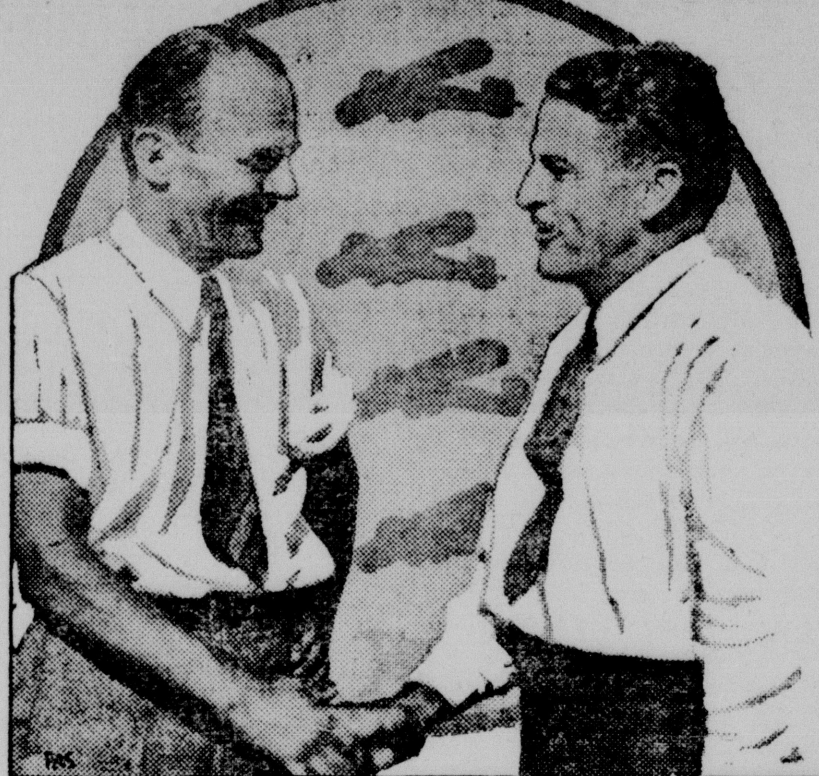

The club will meet the second and fourth Friday afternoons of each month.

CAMERON HISTORY CLUB

The Cameron History Club met with its president, Mrs. W. E. Gaither, Tuesday afternoon at her home. Mrs. Graham Gillis was chairman of the Year Book committee and made her report.

Next meeting will be held with Mrs. J. C. Martin on Tuesday, October 11. Mrs. John B. Henderson will discuss the nine amendments to be voted on at the fall election and Mrs. Jeff T. Kemp will give a sketch of Franklin Roosevelt.

IS TEXAS SPENDING TOO MUCH FOR EDUCATION?

By F. BEN PIERCE

Every person who is a native Texan is proud of that fact. No state in the Union has had a more eventful history than the state of Texas and all Texans are justly proud of the achievements of the grand old state. As a part of the United States, Texas stands out as one of the foremost states in the industrial and economic phases of the life of the country. Does Texas ever stop and consider the educational situation within its own boundaries in the light that it should be considered?

In these so-called times of "depression" much is heard about the slashing of different expenditures in governmental affairs, particularly that of education. Let us consider some very pertinent facts and then decide if we should slash our educational expenditures and thereby lower our standards back to where they were a quarter of a century ago. According to a compilation of statistics by the Research Division of the National Education Association, the average expenditures per pupil enrolled in the public elementary and secondary

schools in continental United States was \$90.38, while this same expenditure in Texas was \$59.88. Only 12 states of this great nation of 48 states of ours spent less money per pupil than did Texas while New York spent \$168.81 per pupil. This amount is almost three times as much as what Texas spent. Do the children of the people of New York mean more to them than the children of Texas mean to this state? With the compilation of statistics which was referred to above again used as a basis, the average cost of education per child for one day is slightly above 41c. Not all of this 41c goes to the teacher. This amount includes all the school costs. Should Texans not bear in mind the fact that Texas schools are run so economically that they will give its children books, classrooms, equipment, playgrounds, and a day's instruction under a well trained teacher for less than the price of a good golf ball or a box of candy.

Do parents of the younger Texans owe it to their children to consider very carefully the many proposed methods of saving in school expenditures? The coming years will bring forth many more serious problems and a false step here can ruin the schools. Children improperly trained cannot solve them as they should be.

May the people not only of Texas, but of all of America as well, wake up and see the crisis that education is now facing and take steps to uphold our standards so that our children will be able to qualify as the type of citizen that America demands.

Democratic Campaign Committee For Milam County Is Organized

Our Town

Editor Cooke of the Rockdale Reporter suffers from allergic coryza. In his own blunt way he calls it hay fever. At first, from the terrible picture he painted of its symptoms, it looked as though it might have been something else, perhaps another 'sad case' brought on by the campaign. We are sorry to find, however, that atopis is no respecter of persons and has been known to attack good people on our side and is not confined to those who voted against our nominee of the Convention.

Never having known the pain and penalty of hypersensitive reaction as manifested by that select group of biological reactions that occur in man we cannot fully sympathize with suffering of our co-laborer in the Fourth Estate. We find on investigation that hay fever has claimed many victims and it is for their benefit as well as Editor Cooke that we undertake in all seriousness a timely discussion of its seriousness.

It is not generally known among laymen that Hay Fever is hereditary. Pollens are the most important factors when air-borne but medical authorities have established that most any pollen will produce re-action sufficient to cause hay fever in individuals whose supersensitiveness bring them under the general classification of addicts. The earliest known research to determine both the cause and remedy for Hay Fever was in 1819. In 1873 Blakley, a victim used extracts of pollens on himself and was able to thus precipitate an attack. Subsequently it was conceived that the pollen contained a toxic albumin and an attempt was made to immunize horses against it. Based upon experiments serum from horses was used for treatment of Hay Fever and was sold under the trade name of "Pollantoin." Later authorities have made considerable headway in treatment of Hay Fever with injection of extracts of pollen and since that time which was in 1915 a considerable amount of successful work has been done in treatment.

There are seasonal types as well as perennial types of Hay Fever victims and it has been proven that it may exist at all times of the year with the specifically sensitive person. The first seasonal type begins at the end of March or early April and extends to the end of the month of May and this type is due almost entirely to pollens of trees. The second type begins at the end of May and extends into the middle of July and is caused almost entirely by the pollens of grasses and is designated as the summer type. The third or fall type begins in the middle of August and continues until frost. Treatment usually resorted to is climatic change. The victim may obtain relief if he flees the pollen areas embracing timber, grasses and growing vegetation and goes to the ocean. The fall type is usually brought about by rag weed pollens.

Strange enough is the fact that in no sense has the medical world been able to discover a cure for Hay Fever. Relief is often uncertain but on the whole progress has been made to mitigate its irritating effects and pain. Hypersensitive individuals may not hope to escape in every instance without suffering all seasonal attacks. It has been proven that the Hay Fever victim affected by the spring seasonal type may continue a victim through all the seasons by reason of his hereditary susceptibility. Only in a relatively few cases have complications been severe enough to warrant special treatment. It is also established that Asthma symptoms are kindred conditions to Hay Fever.

There is no particular locality in which the patient may hope to get relief from Hay Fever of the spring and summer type except upon the ocean. Patients suffering from the autumn type find relief in the White Mountains, on the coast of Maine, in

Support for the National Ticket of the Democratic Party was organized in Milam county last week, a meeting having been held Saturday made up of representatives from the precincts.

Due to weather conditions the attendance was small, but letters received from the Precincts assures a 100 per cent organization for Milam county.

The effort set up was primarily one to enlist support for the National Democratic ticket. The meeting passed a resolution pledging support to all nominees of the party for county and state, naming Mrs. Ferguson as the nominee for Governor.

It is expected that no definite campaign will be necessary for the National Ticket. Ferguson leaders are planning a separate set up for the nominee for Governor due to the peculiar conditions obtaining in Texas. Prospects of Mrs. Ferguson's name not being certified to the ballot has aroused wide resentment and Ferguson supporters are ready to go to any length to give her the Democratic vote in Milam county.

In accordance with the plan of the National Committee the regular machinery of the party is being utilized for support of the Roosevelt-Garner ticket. Enthusiasm is expressed on every hand for the national ticket. The plan of the committee is to bring out a large vote in November for the party nominees for the county, state and nation.

COTTON GINNINGS FOR 1932 ARE VERY LOW

Cotton ginnings for Milam county up to September 16, 1932 were 15,883 bales as compared with 26,711 bales ginned to the same date in 1931.

Estimates now being made on the cotton crop for Milam county is from 30,000 to 35,000 bales with a strong indication the number may fall below the first figure.

Continued rain has wrought havoc in the cotton fields and Milam county in 1932 will produce one of the shortest cotton crops in the history of the county.

Information on the ginnings are furnished by Grover H. Albert, special agent for the Department of Commerce, Bureau of Statistics.

MRS. GEORGIA ANN GRAY DIES IN CITY SUNDAY

Mrs. Georgia Ann Gray, 81 years, died here Sunday morning, September 25 at two o'clock at the home of her son, Will Cooke, where she had been making her home. Funeral services were held Sunday afternoon at Oak Hill cemetery by Rev. O. C. Acree, pastor of the First Presbyterian church, Cameron. Interment was made in Oak Hill cemetery.

Mrs. Gray was born July 30, 1851 in Tuscaloosa, Ala., and came to Texas a number of years ago. She had many friends who regret her death.

Pall bearers were Monta Thomas, L. L. Blaylock, Will Vaughan, Joe Richter, Leroy Johnson and Ray Robinson.

Mrs. W. G. Gillis Made Chairman For Women To Aid Demo. Ticket

Mrs. W. G. Gillis has accepted the chairmanship for Milam County to urge support among women voters for the Roosevelt-Garner ticket. Appointment to this place was made this week and under solicitation from the National and State Democratic Campaign Committee.

The name of Mrs. Gillis has been certified to the National Committee and to the State Committee and the Party leaders are pleased to know she is to lend her influence for the National Democratic Nominees in November.

IT IS A LIE AND A LIBEL.

Setting a precedent for poor sportsmanship in an orgy of ignorance and slander, Ross Sterling, Governor of Texas by deception and guidance of vicious spoilers, has questioned by direct charge and implication the honesty and integrity of a half million of the best citizens that ever lived on the soil of Texas.

He has, through his agents and operatives, made sport of the ballot box and attacked the right of suffrage guaranteed to every man, and not satisfied with having done that, the blundering ignoramus, believes the broad principle of human rights is only commensurate with a few dollars and a bunch of lies.

He has said that 130 counties in Texas and their peoples are guilty of felony under the law. He has charged by direction and indirection that the people in those counties should be cited as thieves and ballot box stealers just because they did not vote for him. Milam county is one among the number. We rise in protest. The good and honest citizenship of Milam county are not guilty.

It is a lie and a libel. The astounding developments in the suit at Austin have revealed the most amazing attempt to defraud the majority vote of Texas ever known among intelligent people. Slander and abuse, ignorance and vicious disregard for justice are entrenched in this brazen effort to forever defeat public voting and popular expression and choice in Texas. If they get by with it, the ballot box is a defunct institution in Texas and no honest man will ever again manifest interest in the payment of his poll tax or give serious consideration to casting a ballot. But the uncommon people of Texas, now face to face with the problem of preserving their rights under free suffrage, will find another way to drive the spoilers away from their seats of government and from their treasuries and their places of responsibility.

The Herald defends with all its depth of resentment this unkind, unwarranted and false slander of the great, fine people who make up the citizenship of Milam county. The Herald would do this as a matter of justice whether its political beliefs had fared well or ill at the polls. The Herald counts it a privilege to protest and to scourge these scoundrels who would traduce in palpable violation of every principle of decency and fair dealing, the good name of our people and especially those patriots in the cause of better government who voted for Mrs. Ferguson for Governor.

Sterling has said that election managers in Milam county are thieves in that he lists the county among the criminal group. He charges that 50,000 votes were cast by crooked election managers who marked the tickets for voters and marked them for Mrs. Ferguson. It is a lie and a libel. He charges that 2000 felons voted for Mrs. Ferguson while he released them from prison to aid him in his campaign. It is a lie and a libel. He charges that 20,000 negroes voted for Mrs. Ferguson and he has not seen a single ballot cast in Texas and if he has he has committed a felony. It is a lie and a libel. He has charged that many thousands of people voted without paying a poll tax; that they were not entitled to vote. He is ignorant of both the law and the facts. They are voters over and under age and legally exempt. It is a lie and a libel.

In two voting precincts in Milam county—Cameron and Thorndale—454 names are listed and have been filed in court at Austin as proof offered by Sterling that he lost the election by illegal practices on the part of Ferguson supporters. In Cameron 354 are listed by name, in Thorndale 130 are listed by name. There

COUNTY CHAIRMAN IS FIRST SHAREHOLDER IN MILAM FOR ROOSEVELT

J. B. White, Democratic County Chairman of Milam County, announced today that James Farley, Chairman of the Democratic National Committee, in conjunction with the Executive Committee has designated him as the first member in Milam county of "Shareholders in America," a movement designed to elect Franklin D. Roosevelt and John N. Garner.

Mr. White said he received today his membership and official Roosevelt-Garner Medallion, which is the official insignia of Shareholders of America.

The medallion is a real work of art bearing a profile of Governor Roosevelt and Speaker Garner. It was created by Gutzon Borglum. Mr. White said that he expected to be a sponsor of Shareholders of America in Milam County, and give every supporter of Franklin Roosevelt an opportunity to procure one of these medallions. He said anyone would be proud to display it and would further want to preserve it as a souvenir of the campaign.

"This plan for raising funds," said Mr. White, "is in keeping with Roosevelt's idea of making this the People's Campaign. The medallion sells for \$1. Any person desiring a medallion can communicate with Mr. White at Cameron. Mr. White is seeking volunteers to cooperate in this campaign. Anyone who is willing to help the cause of Roosevelt can communicate with him at County headquarters.

Franklin Roosevelt became the first Shareholder in America Sunday afternoon at his home in Hyde Park.

TWO RECEIVE PRISON TERMS FROM COURT

State of Texas vs. Oscar and Charles Allen, 4 cases each, for assault with intent to murder, assault with intent to rob, and rape, plead guilty and the jury assessed penalty at 25 years each in the penitentiary.

State of Texas vs. Pedro Chandler, charged with theft of an auto from Wm. Krause who resides near Burlington, plead guilty and was given two years in the penitentiary.

S. W. Dees, charged with cattle theft, tried last week, case continued on application of the defendant on account of not being able to locate a witness, Frank Black, of Bell county from whom Dees alleges he bought the cattle. Case re-set for October 24.

RIGHT OF WAY FUNDS PLEA RENEWED; CITY MUST HAVE HIGHWAY

Need for construction work on Highway No. 77 was stressed Monday night before the Commercial Club, the discussion renewing somewhat efforts to have the Commissioner's Court furnish funds for the right of way from Cameron to Burlington and the Falls county line.

An item of \$5000 was requested placed in the budget of the county to pay for the right of way but the court explained it had no way of anticipating funds with which to pay the sum. A committee from the Tax Payers League opposed.

Retiring President Giles L. Avriett who is county auditor said that if the club could show some means of obtaining the money he felt the sum would be appropriated.

Early Cameron Story

T. S. Henderson said he regretted the stand of the Auditor and the court and felt that the county should issue its warrants to pay for the right of way, so important is the road. Highways he said were as important now to a town as railroad lines were in the Eighties and here told the story of the Santa Fe building into Cameron. There was a controversy over the location of the depot. Land owned and then located near the present site of the Presbyterian church was held at a higher figure than the citizens wanted to pay. He said the opinion was generally expressed that to locate the depot at its present site

L. VAN PERKINS RETURNS FROM NATIONAL LEGION MEETING IN PORTLAND

L. Van Perkins, delegate from this district to the National Convention of the American Legion in Portland, Oregon, has returned to Cameron.

Mr. Perkins is an active Legionaire and will be offered by his comrades of Edwin Hardy Post No. 9 for State Commander at the next meeting.

A special courtesy to the editor of The Herald and other friends was the mailing of four issues of the Oregonian published at Portland. This newspaper gave all details of the convention. Mr. Perkins reports an enthusiastic meeting and a fine attendance from all over America and foreign countries.

Texas, he said, was not showing the effects of the depression as much as some parts of the west.

The convention will be held in Chicago in 1933 where the great World's Fair will be held.

HEALTH COUNCIL WILL HEAR SANITATION TALK

Milam County Health Council is bringing Miss Edna Southard, Sanitary Instructor of State Department of Health, to address women of Milam County on October 4, regarding Home Sanitation.

Miss Southard is particularly interested in malaria control, and is well qualified to handle the subject, having worked and studied under nationally and internationally known experts.

She has had both practical and technical training and in addition being a sanitarian of note is an expert malaria microscopist.

At the request of the Health Council, Miss Southard will discuss three important phases of home sanitation, screening, sewage disposal and a safe water supply.

You are cordially invited to hear and to meet Miss Southard at Cameron Country Club next Tuesday, October 4 at 3 o'clock.

BURLINGTON SUPPER TO BE HELD SUNDAY OCT. 2

Unfavorable weather conditions of last Sunday caused postponement of the sausage and chicken supper to have been held at Burlington.

The supper postponed for one week will be given Sunday, October 2, 1932 beginning at 5 p. m.

The supper will be given under the auspices of members of St. Michael's parish and will be held at St. Michael's school building. A small admission charge will be made, 25c for adults and 15c for children. Chicken and sausage will be served and other foods as well with refreshments.

St. Michael's at Burlington and her people are noted for their hospitality and on next Sunday will be hosts to the people of this section, a cordial invitation to whom is extended by the members of the Parish and the committee in charge of the supper program.

Mrs. Slovacek and Mrs. H. Hyer of Buckholts paid a visit to Cameron on Saturday.

THIS IS STILL MORE IMPORTANT

A number of our readers took advantage of the subscription offer last week. Three years for the price of two, or one year for one dollar. The management had hoped it would not be necessary to mention this matter again. Postage rates are higher and besides it should not be necessary to mail statements. We are extending this offer and calling your attention to the delinquency of your subscription. We do not want to discontinue your paper but we forced to do so unless your remittance more should be.

Will Modern Jazz Music Become Classic of the Future?

Around the corner—under the tree—The gallant major—said 'Still with me'

Singers Think Radio Performers Do Not Fully Appreciate Modern Method

New York City.—Will our grandchildren speak in awed tones of our jazz as classics? Lulu Quinn Weyant and Ethel Horton, nationally famous radio performers, think they will.

"I am sure that we here in America do not hold jazz any more lightly than Germany held Wagner in his youth," declares Lulu Quinn Weyant, who speaks with the knowledge of a music teacher. "There has never been a single innovation or great step in any art that the same thing hasn't happened and jazz must be an art or it could never have become the universal language which

it has," explains Ethel Horton, pianist of the team. "For the first time in history there is an international music. Not understanding its universal appeal we speak of it lightly and often razz it. Yet we are right in the midst of what is probably the world's greatest forward step, musically."

"True, many of the numbers are trivial, especially novelty songs, but they have their niche in the scheme of artistic development. 'Around the Corner,' new novelty song, is an exception and a distinct contribution. For one thing, it has a new type of lyric which is especially marvelous for singing. It is in the class of 'Pop Goes the Weasel,' which has existed since before the advent of the Pilgrims and which we think of as a real classic. Probably our generations hence will be singing 'Around the Corner.'"

COMMERCIAL CLUB NAMES OFFICERS

The following members were present at the Commercial Club meeting Monday night: Giles L. Avriett; H. P. Culpepper, J. W. Coleman, B. F. Reichert, John C. Young, August Horstmann, Leland Green, George Gott, E. C. Cole, George Banzhaf, T. S. Henderson, J. B. White, L. Van Perkins, Frank Lesovsky, Bassett Watson, Hilrey Stedman, M. G. Manning and W. M. Cobb.

Minutes of last meeting were read and approved. George Banzhaf, chairman of Agriculture Committee reported a proposed tour of county to inspect terracing and soil saving dams also trench silos on Thursday, September 29, accompanied by A. K. (Dad) Short, of Federal Farm Bank, Houston; M. R. Bentley, Extension Agriculture Engineer and G. W. Johnson, District Agent and interested farmers and business men.

Tour will start at Rockdale at 9 a. m. Those from Cameron will leave court house at 8:15 a. m. The following places will be visited: Fifer Caudle, orchard and terraces; Ed Simms, terraced farm; J. W. Garner, soil saving dam; Geo. T. Graves, a trench silo, arriving in Cameron for lunch at noon. The farms of Dave Link and Shep McClarren and others will be visited in the afternoon and talks will be made by Messrs. Short, Bentley and Johnson. Business men are urged to attend. Funds to pay for lunch were authorized.

Election of officers being declared in order, the following were elected: C. E. Akers, president; Leland Green, vice-president; L. Van Perkins, 2nd vice president; August Gurecky, treasurer.

Twelve directors were elected by ballot from 25 nominations, as fol-

lows: August Horstmann, Giles L. Avriett, J. W. Coleman, F. S. Lesovsky, John C. Young, B. F. Reichert, George Banzhaf, E. C. Cole, Geo. Gott, H. P. Culpepper, J. B. White and Hilrey Stedman.

While waiting for the results of the election, Judge Henderson was called on and made an inspiring talk complimenting the Commercial Club for its fine work in the past, and offering a resolution thanking the local editors for the loyal support of the Herald and Enterprise for the club's programs and all other movements for the upbuilding of Cameron and Milam county.

Mr. Lesovsky called attention of directors elect to the importance of attending all meetings as a duty devolved upon them when they accept such election. He also told of the Club's work in urging the acquiring of right of way from Elm Creek to Burlington on U. S. Highway 77, to rebuild which road an initial appropriation of \$53,000 has been made by the State Highway Commission.

Mr. Coleman presented Mr. Tarver who is organizing a burial association and asked that his proposition be

Speaker Gives Praise To Cameron Papers

Cameron newspapers were praised by T. S. Henderson at the meeting of the Commercial Club on Monday night for their work in giving publicity to Cameron and the efforts of the club.

He said the papers have more influence for city building than any other agency. He expressed the hope that the papers would lend their cooperation and said that any movement sponsored by the press could be successfully terminated.

Both Cameron publishers were present and Mr. Reichert expressed his appreciation and desire to co-operate.

Mr. and Mrs. Goldie Russell announced the arrival of a son, born Monday, September 20. He has been named Marvin Lindle.

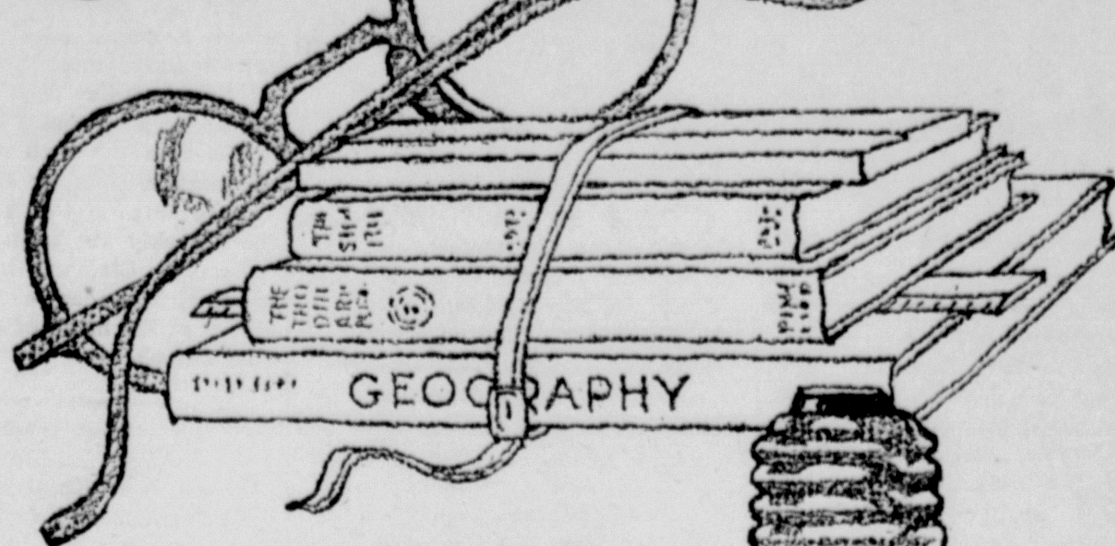

CORINTH 4-H CLUB

It was a day well spent when the Corinth H. D. Club, a number of school patrons and quite a few boys and girls of the community, with Miss Bartholomew, County Home Agent and George Banzhaf, County Agent, began the work of beautifying the Corinth school grounds. Grading was done, walks laid off to be graveled later, fertilizer enriched the wide beds prepared for the December planting of shrubs and evergreens. A delightful lunch was spread at the noon hour which needless to say was enjoyed by the workers. After most of the yard work planned for the day had been completed, the club, with Miss Bartholomew held a brief session in the school building. It was decided to select and procure a short play and that the club present this play on October 31, a small admission fee to be charged to provide means for forwarding the club work.

Miss Bartholomew made a black board diagram of school yard showing where shrubs should be set and an instructive talk on the selection of same.

In view of the fact that Achievement Day, October 10, is not far distant, her suggestions for making attractive gifts from pantry for the gift table were helpful as were others on the various exhibits.

GLASSES -

OR GOOD LIGHTING

Children's eyes are delicate. They need special consideration. Scientists tell us children's eyes are more susceptible to eyestrain than grown-ups. So give *your* children's eyes a chance. A little thought on your part about home lighting may save them from wearing glasses later on.

Here are a few general rules to follow: Have light in adequate quantity and correctly diffused. All lights should be shaded so you are unable to see the light bulb. Some general illumination is most desirable in addition to portable lamps. When portable lamps are used for reading or study they should be so placed that there is adequate illumination on the work with the light coming over the shoulder.

If our electric bills were itemized, we would then see that lighting is really only a small part. So accustomed have we become to the other electric services that we sometimes forget how many times a day electricity serves us. It makes our toast in the morning. It sweeps the rugs. It washes the clothes. Then it irons them. Considering the time and labor it saves, what other money do we spend which brings greater returns in comfort and convenience?

How Cardui Helps Women

"Mal-nutrition" means that your body is not getting enough to keep it up, so that what it has to do is not done well. You may not be eating enough to keep up the work of the body, or there may be something wrong that keeps you from getting full value from the food you eat.

Because of mal-nutrition, some women have aches and pains every month. Such pains should not be neglected.

Take Cardui to give you a better appetite, to give you more strength from the food you eat—to build up and increase your feeling of well-being. Aches and pains go away as you build up with the help of Cardui.

"My best prescription,"
said a famous physician

"is a good rest. People who avoid fatigue are people who avoid sickness."

And what is more fatiguing than the weekly wash? It is not only too long, too hard and too tiresome for you to do—it's too dangerous.

Why not be safe—with our laundry? Clothes beautifully done, prices moderate—and no more exhausting days with the wash.

Florida, California and Europe. The specific treatment of Hay Fever with pollen extracts is well established. Each individual is typed according to sensitiveness and usually the injections are made about ten weeks in advance of the expected attack. Increasing doses are given at weekly intervals.

The non-seasonal type of Hay Fever known as perennial differs from the seasonal type in the fact that the types are not regularly seasonal but may be continuous throughout the year. Perennial Hay Fever or Vasomotor Rhinitis is responsive to the following excitants: Absorbed by inhaling: Animal danders, horse, cat, dog, rabbit, goat, cow, chicken, duck, goose. Vegetable powders: Orris, rice, corn, wheat, seed of cotton, dust of hay and straw and house dust. Absorbed by ingestion: Foods: milk, egg, fish, shellfish, nuts, chocolate, coffee, buckwheat, celery, bean. Drugs contribute also: Quinine, aspirin, ipecac, senna, iodine, morphine. So we can see by the lights of research from our medical world many things of interest concerning the ailments of us mortals.

THORNDALE YOUTH DIES FROM BULLET WOUND; SUICIDE IS VERDICT

Douglas Caesar, aged 21 years, who resides with his mother, Mrs. Nellie Caesar, in the Hare community, about 5 miles northwest of Thorndale, took his own life at the family home on Tuesday evening at about 7 p. m., when he shot himself with a .45 calibre pistol. The young man lived until 11 p. m., however, he was unconscious during the intervening four hours. The bullet that ended his life entered his skull just back of his right ear and ranged upward, coming out just above the forehead. At the time of the tragedy the family were busy about the barn, milking and feeding the stock, and the young man was at the house alone. Upon hearing the shot the family rushed to the house to find the victim laying on the bed fatally wounded and the pistol from which the shot was fired was laying on the floor.

The pistol had been fired twice, however, only the one wound was inflicted, that which pierced the skull and caused his death. According to members of the family they can assign no reason why the young man took his life, as he seemed in his usual spirits, and had worked in the field with a brother until about 6 p. m., on the day of the tragedy.

Surviving, besides his mother, are one sister, Mrs. Mae Stewart, three brothers, Jack, Bill and Fred Caesar. Funeral services were held from the family home at 3 p. m. on Wednesday of last week with interment taking place in the Taylor City cemetery. The Champion joins the many friends of the family in extending our sympathy.—Thorndale Champion.

Farm Loans Being Paid To Government

Farmers in Milam county borrowed \$18,877.50 from the federal government to finance crops in 1932 and are now paying off the loans. In all there were 234 loans made in April, May and June of last year. They ranged from \$12.00 to \$4000.

Nearly \$4000 of the amount had been paid back up to this week. It was said the Milam section led in loan applications with Gause second and Cameron third. Rockdale was listed as fourth in number of applications.

FUNDS

would just about ruin the town. Cameron was a sprawling village in the sand then, he said, but finally the town leaders of that day gave in and they surveyed the right of way around the gravel rim and placed the depot.

Lesovsky Reports
Frank Lesovsky who served on the committee to ask the court for the funds brought it up again and talked about the merits of the highway. It runs from Canada to Mexico he said. Chances are it might go some other route if Cameron does not wake up to its opportunity. Funds have already been appropriated by the Highway Department he said.

Bond Money Discussed
Distribution of the bond money to be paid back to the county when the State takes up \$600,000 in bonds was discussed. The county, said Mr. Avriett, will begin at once to figure out and submit its bill of refunds to the Highway Department. A. F. Mitchell former county engineer will assist the county in compiling the figures. It was pointed out no money would be paid over but that the state would assume payment of the bonds and the tax rate in the various districts would be eliminated. There are \$425,000 in bonds not affected by the new state law.

LIONS CLUB

At the Lions Club weekly luncheon Tuesday, Walter Humphrey of the Temple Telegram, was the principal speaker and gave a report of the International meeting of the Lions held at Los Angeles, California in July which was very interesting. C. L. Head, principal of the Temple high school and Robert Sparks, manager of the Arcadia Theatre of Temple, pulled off some fun provoking stunts.

The Cameron Club will go to Temple next Wednesday and will put on a program for the Temple club at their weekly luncheon.

Cameron Club will hold a director's meeting Thursday evening, September 29 at the home of George Gott at 7:30 o'clock.

K. C. PARTY

Members of Knights of Columbus, their families and friends enjoyed a big 42 party given in K. of C. Hall last Friday night.

Sixteen tables were quickly filled

and a large progressive game was in order.

High scores for the evening went to Leo Laake, C. McCall and Mrs. Vogel-sang of Burlington. Many other prizes were awarded to lucky players.

Ed Hess of Burlington and his group of singers in an appreciative way entertained the audience with several popular songs. Ted Matula of Cameron, with his guitar, was also heard in yodelling. All songs were well received and delivered.

Before the evening closed the K. of C.'s served a delightful lunch with ice cold drinks, tea and coffee.

SHARPE

By SANDERS AND BROWN

Although we had bright sunshine the first part of the week, Friday night brought back some rain. It rained all day Saturday and Sunday.

This community has been blessed with lots of fine sunshine for the past week, giving the farmers a fine

chance to gather their crops. Many farmers finished gathering their crops while some have cotton to gather.

Rev. McKinley Norman of Waxahachie, who has been conducting the revival at the Baptist church this week and T. D. Carroll, of Ft. Worth who conducted the singing have been guests of Mr. and Mrs. T. S. Henderson this week.

Visitors in the J. M. Sanders home Sunday were Misses Pearl, Mable and Robt Dean Wagner, Johnnie, Henry and Charlie Brown, Woodson Sanders, George Simmons and Miss Carrie Robbison.

The Sharpe amateur baseball nine is nearing a victorious end. The boys say they will live in hope if they die in despair. We too are living in hopes and we think our "Famous Nine" will come out on top.

Due to so much work the beautiful sunshine brought about, the farm-

ers have not had much time to go visiting or to town, so our news will be short and sweet this week.

IT IS A LIE AND A LIBEL

(continued from page 1)

are 47 other precincts in the county and each will be likewise slandered and brought into question.

No more honorable, honest, capable or fair minded men and women ever held election in Texas than those who served in Milam county. The Herald knows whereof it speaks; knows it perhaps better than anyone, except those managers and their helpers who safeguarded the ballot box and held a legal election and a fair election on August 27. An election so fair and honest that the smelling committee of Sterling operatives could find nothing wrong and to have been given a verdict of not guilty by the opposition whose complaint is graciously acknowledged with a minimum of resentment, is enough to warrant the feeling that no further defense is necessary for Milam county's election managers and their able assistants. Likewise can all this be said in behalf of the members of the Executive Committee.

An ignorant, irresponsible and incompetent governor, has laid at the door of Milam county grave charges, which, though untrue in every way, gives occasion for righteous resentment. He has slandered the people of Milam county. He has questioned their honor and their integrity. He has laid a charge of fraud upon the white heads of Confederate soldiers; he has hurled into the gentle faces of Confederate mothers a slander; he has traduced the honesty and uprightness of the young manhood and womanhood of Milam county and laid upon the middle aged and the aged the curse of dishonor. It is a lie and a libel.

Such men as these do not lie. They do not steal. They will not resort to dishonor. They are the kind that made Texas. They are the men who followed the star of empire; the men who followed the fortunes of this great state in good and evil times; the men who have always rescued it from men like Sterling and his kind who have plagued patriotism and defied justice from Concord to Flanders, all the way. These men and their kind shouldered axes and carried rifles into the woods to hew and fight out a way for a great people to follow. They knew the generous ardor of conflict and set up the principle of human rights and good government long before Ross Sterling ever pipped his Ku Klux shell on Buffalo Bayou. They must not be classed as ballot box thieves. The Governor should crawl across Texas on his Standard Oil stomach and eat dirt at the feet of his betters whom he has slandered.

The campaign in Texas was one in which the great mass of people achieved victory. The toilers, the farmers, the merchant, the unemployed, the student, the teacher and the thousands who long for hope and for opportunity. Without money and without organization, without power of office and official control; without advantage of hirelings and without authority to impose slavery upon helpless hundreds who must work to sustain themselves and their families; without military forces or rangers; with only hope and sunshine in their hearts, clean as the wind that sweeps the Texas prairies, they marched to the polls—the honest Yeomenry of Texas—and registered an honest ballot, turned over into custody of honest election managers and the prospect of its nullification has brought them to the brink of hopelessness and now in bewilderment they face slander and felonious charges. They will not submit. Right has never given way to wrong. The good people of Milam county will see to it that justice is done and those who would destroy them and reduce them to political slavery shall no longer fare well at their hands. Tea was thrown in the harbor at Boston for less offense. The people, rather than submit to such an outrage will rise in their might and drive the spoilers from the capitol and from every public office in the State of Texas.

No principle, either in law or good politics, is involved in this attempt on the part of Sterling to steal from the people of Texas their right of suffrage and the right of majority rule. Only the premise of falsehood, of deception, slander and rascality is involved. Without the decency to admit defeat and the intelligence to comprehend the great wrong he does to his state and to the principle of honest suffrage, Sterling destroys whatever measure of deference the people would give to one who serves in high place, and walks into the shadows of oblivion, unforgotten and altogether blotted from the memory of men.

Mr. and Mrs. Hugo Horstmann,
recently married young people of
Buckholts, returned Sunday from
their wedding trip. They will have an
apartment in the Bain Hotel. Hugh
is principal of the Bryant Station
school and Miss Lina a popular tea-
cher in the Ad Hall school. Their
many friends wish them much happi-
ness and prosperity.

Mr. and Mrs. Alex Groppe and
baby visited her parents, Mr. and
Mrs. A. H. Judkins at Branchville on
Sunday.

Mrs. Henry Garlich is on the sick
list at this time.

daughter, Jane, Mrs. Elmar Horst-
mann and Mr. John Hobson were
Gause and Hearne visitors Sunday.

Rev. and Mrs. W. P. Elliott and
daughters, are making preparations
for moving from Marlow to Buckholts
this week. Mrs. Elliott will have
primary work in the school this com-
ing year.

Mrs. E. B. Hyer won high score

when she entertained her bridge club
Wednesday of the past week. Beau-
tiful pink roses made the room at-
tractive and were used to center the
trays and as plate favors. Cake and
a fruit drink were offered her guests
as games concluded. Other than club
members, two guests, Misses Gladys
Harris and Maxine Hyer enjoyed the
party.

Miss Virginia Dabney was a patient
in a Temple hospital for a brief time
she having to have a needle removed
from her hand. She has suffered
greatly but is better now.

Little J. V., aged 4 years, only son
of Mr. and Mrs. Vince Petruy of the
Bryant Station neighborhood, died
Saturday morning in a Temple hos-
pital after an illness of several
days. Funeral services were con-
ducted by Rev. F. J. Horak of Caldwell,
assisted by Rev. Welb of Rogers, at
the Bohemian Lutheran church in
Buckholts. Interment was made in
Cameron with Schiller Undertakers in
charge of funeral arrangements. Among
relatives from other places
attending the funeral were Mr. and
Mrs. Ed Schiller, Misses Vlasta and
Bessie Slovacek and Joe Slovacek of
Houston, Mr. and Mrs. Joe Slovacek
of Snooks, Mr. and Mrs. Frank Pe-
truy and family of Rogers, Mr. and
Mrs. Ludwig Zatloukal and family of

Temple and Mr. and Mrs. Otto Meyer
and children of Cameron. Friends of
Mr. and Mrs. Petruy extend sym-
pathy in their sad hour.

Natural GAS

is your
cheapest item
of expense

Natural Gas Service, because of the fact that rates
were not increased when prices generally were on the up-
grade, is STILL the least expensive item in the cost of
running a household.

During the past summer, when gas was used prin-
cipally for cooking and water heating, the cost to many
homes has been little more than the price of a postage
stamp for a daily letter. Even in cold weather when larger
quantities are required to guard the health and comfort
of the entire family the gas bill represents only a small
fraction of the winter household expenses.

In fact, the average gas bill in this section the whole
year 'round is only about 15 cents a day for house heat-
ing, cooking and hot water supply. . . A dependable year
'round service that benefits the entire family and costs
less than the gasoline expense of one small automobile . . .
less than any other necessity that contributes to the health,
comfort, convenience and happiness of your home.

As a fuel . . . as a service, there is no substitute for
natural gas. Take advantage of its inexpensiveness for
your complete comfort this winter.

Boy Scout News

Troop 52, J. A. Lindle, Scoutmaster
Troop 52 held their regular meeting last Thursday night. Due to the switch in our regular meeting night, some boys were absent. There were 10 registered Scouts, Scoutmaster, committeeman Kunz and Kichter and three visitors.

Jack Lawrence, Scout executive of the Heart O'Texas Council, Waco was present for this meeting. R. A. Michalka, Grand Knight of the K. of C.'s, our sponsoring body, was also there.

The meeting was opened with the theme song of Troop 52. A talk was made by Mr. Lawrence on activities of the past, present and future. A spirited patrol meeting was put over by Patrol leaders Bob Hensley and Paul Michalka. After the patrol meeting a talk was given by Mr. Kunz on "Our Troop."

At this time Life Scout C. W. Gjedde was introduced as the new Senior Patrol Leader to fill the unexpired term of Scout Ernest Michalka.

Troop 52 will begin work immediately on a worthwhile troop project. The game section was conducted by Mr. Lawrence and the meeting was closed by a talk on Scout Law by Committeemen and Rudolf Richter.

Troop 32, B. L. Archer, Scoutmaster
The boys of Troop 32 held their regular weekly meeting in the Scout Hall Friday night at 7:30. There was a very noticeable increase in attendance and also of interest.

Immediately after the business session the program was turned over

to Vernon Bain, the patrol leader of the Beaver Patrol of Buckholts. His feature was a talk by Mr. McNeil, who is to be connected with the Buckholts school and has had considerable experience in Scout work, the past few years at Orange, Texas. All members of Troop 32 are pleased to know Mr. McNeil has consented to work with us in Scouting.

Roderick Long, patrol leader for the Cat Patrol has the program for next week and we are sure it will be of interest. We urge a continuation of the good attendance.

Troop 53, J. W. Haygood, Scoutmaster
Regular meeting was held Friday night in our meeting place in the club room of the Masonic Lodge with a very good attendance.

Work was continued in the Tenderfoot, Second Class and First Class work, with the Panther Patrol furnishing the program. Mrs. Haygood visited our troop meeting.

We are glad to learn that the Masonic Lodge has agreed to sponsor another Troop, because several boys are on the waiting list and can not be admitted because Troop 53 is full. There will be more information on the new troop in the near future, as it will take some time for this to be put into effect. We are advised that there will be another Court of Honor in the near future, and each Scout should be prepared to receive at least some rank in Scouting or some merit badge. You Eagle Scouts, have you earned enough merit badges to give you a Palm at this Court of Honor? Remember your motto—Be Prepared.

Parent-Teachers To Meet At Minerva

The County Council of Parent-Teachers Associations will hold its quarterly meeting Saturday, October 8 at Minerva at which time the local group will serve luncheon to the guests.

The morning session will be devoted to business and instruction and during the afternoon session Milam county talent will give a program of music and readings. Schools having no Parent-Teacher Association are cordially invited to send representatives.

FARM LEADERS WILL TOUR MILAM COUNTY

A tour of Milam county for inspection of terracing, soil saving dam and trench silos will be made Thursday, September 29.

George Banzhaf, county agent, and chairman of the Agriculture Committee will conduct the tour.

A. K. Short of the Federal Farm Bank will be one of the speakers. M. R. Bentley, Extension Agricultural Engineer and G. W. Johnson, District Agent will accompany the delegation. Business men and farmers will join in.

The club will serve lunch at noon Thursday in Cameron. The tour begins at Rockdale at 9 o'clock in the morning. Those in the Cameron delegation will leave the court house at 8:15. Orchard and terraces will be inspected on the farm of Fifer Caudle and Ed Simms farm will be inspected for terracing. A soil saving dam will be inspected on the J. W. Garner farm.

A trench silo will be inspected on the George T. Graves farm. The farms of Dave Link and Shep McClarren will be visited in the afternoon.

Freshman Class At Yoe High School Elects Leaders

The Freshman class of the Yoe high school met Friday, September 23, 1932 for the first meeting of the year under the leadership of the sponsors, Miss Pitts, Miss Dickard and Mr. Haynie.

Amelia Freeman was elected president of the 1932-33 class. After saying a few words of appreciation she took charge and the following officers were elected:

Vice president, Simmie Smith. Secretary and Treasurer, Sula Mae DePew.

Sergeant At Arms, Shirley McLean. Yell leaders, Edna Merle Deer and Clinton Breeding.

Ruby Baylor, Tom White and Joe Newton were appointed as a committee to select a motto, colors, and flower for the class.

After the business proceedings the yell leaders took charge and showed their enthusiasm in entering into the spirit of Yoe high.

Golden Age of Labor

Probably at no other time in all history was the lot of the laborer nearer a "golden age" than it was in the fifteenth and early part of the sixteenth centuries. At no time were wages, relatively speaking, so high, and at no time was food so cheap. In England, parliament made constant attempts to reduce the wages, but they kept high and finally became customary. Eventually, of course, living costs mounted and the laborer's lot again approached its norm. But during the years of his paradise the hours were short; eight being the common day's work; the period of winter wages was brief, being December and January; the rate was just as good whether the laborer was employed for a day or a year; and in some cases he was paid for every day including his Sundays and holidays off. —Detroit News.

Wires for Telephones

Just how much business is dependent upon the telephone is indicated by the amount of wire for telephone service which must be introduced into a great office building. In the Equitable Trust building—36 stories high—more than 55,000 cubic feet of lead-covered cable, weighing 23 tons and containing over 9,000,000 feet of wire, were necessary for telephone facilities. Other inside wiring amounted to more than 1,000,000 feet. The Graybar building—29 stories high—has more than 19,500 feet of cable, weighing 13½ tons. The telephone wire in this building amounts to more than 6,000,000 feet.

Labor of Love

"Uncle" Joab Powell, circuit rider of the early days of the Nineteenth century, whose field of operations covered Oregon, as well as Missouri and Tennessee, was not "out for the money." In fact, he took no remuneration, asking only fare for himself and feed for his horses. "Just charge my bill to the Lord," he would say as he mounted his cayuse to ride away from the farmhouse where he had been entertained while preaching in the neighborhood. —Kansas City Times.

Silver Lining

Gen. William Mitchell, of aviation fame, said in the course of a political speech in New York:

"We must always look on the bright side, friends. We should emulate the little girl.

"The little girl had two pets, a cat and a canary, that she dearly loved. But the cat ate the canary!

"Did the little girl despair? No. Looking on the bright side, she said: 'I have two pets in one now.'

BUCKHOLTS

Mr. and Mrs. H. J. Hailes had as guests the past week, her brother, J. A. Witt and family of Roswell, New Mexico.

Begin Taking Cardui Today If You Suffer Like This Lady Did

"WHEN I was a girl, I began taking Cardui," writes Mrs. Maggie Stanfield, of Crandall, Ga. "I was very irregular for twelve months. Nothing did me very much good until my mother began to give me this medicine. Then I got all right, stout and well.

"After I was married, I was in bad health. I began taking Cardui again. I was troubled with my back a lot. Was awfully restless. I could not sleep well. I just weighed 90 pounds when I began taking Cardui. I improved rapidly. Before long I weighed 126 pounds. I felt fine. I was able to do a good day's work."

Cardui is sold by druggists here.

SOCIETY

CELEBRATES 96TH BIRTHDAY

Rev. and Mrs. C. A. Lehmberg attended the reunion of children to celebrate the 96th birthday of her father, J. H. Hempel at Bartlett Sunday, September 25. Mr. Hempel is remarkably strong for his age and takes much interest in happenings around him; and manifested real pleasure in blowing out the candles on his birthday cake.

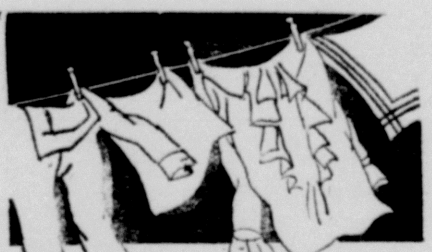

Mr. Hempel was born in Germany and came to America when 14 years of age and settled in Bastrop county and has resided in Bartlett the past 50 years. There are six living children, Mrs. C. A. Lehmberg of Cameron, J. H. Hempel of Temple, G. A. Hempel, Mrs. A. F. Czarowitz and Mrs. J. F. Kuler of Bartlett, all of whom were present at this happy occasion.

Kemp, given in honor of Bishop Clinton Quin, Bishop of Texas Diocese of the Episcopal church. The following friends were also present: Rev. and Mrs. J. P. Love, Mrs. Cochran, Miss Agnes Chambers, J. W. Airey of Longview, Judge and Mrs. Kemp. Following the delightful feast a pleasant hour was enjoyed in social conversation.

ZONE MEETING

The Zone Meeting of the Methodist Missionary Society was held Thursday afternoon, September 29 in the basement of the church. Ladies from Rosebud, Ben Arnold, Rockdale, Minerva and Cameron took part on the program. The Cameron ladies served refreshments to all in attendance.

MISSIONARY SOCIETY

Circles one and three of the Methodist church met in the home of Mrs. R. L. Batte Monday afternoon. Miss Jessie Guffey led the lesson. There were 14 members present.

Groups two and four had Mrs. R. H. McIntosh as hostess with 18 in attendance. A short business session was led by Mrs. Joe Mohler. Mrs. McIntosh led the Bible lesson, assisted by Mesdames Ollie Gaston, J. W. Kemp, W. O. Triggs, Julian Baskin and Miss Mollie Moore.

Members of circle two were hostesses to a social hour. They will meet next Monday at church for mission study.

BAPTIST W. M. S.

All circles of the Baptist church met at the church for Royal Service with Mrs. Larry Hackabeil as leader. There were 35 ladies in attendance. The ladies of the Eunice Taylor Glass circle served sandwiches and ice tea.

Next Monday the Milam County W. M. U. meets at 10 o'clock in an all day session at the church. Mrs. Wilson Gunn, president of the County Workers, will preside over the meeting. The ladies will serve dinner Monday at the church. Immediately after the County Meet the local organization will meet for a business session which will be the first day of the week of prayer, to be continued during the week at 3:30 p. m., until Friday.

ST. RITA'S CIRCLE

The St. Rita's Circle held an interesting meeting Wednesday at the home of Miss Ola Richter with 17 members present, and three visitors, Mesdames Frank Hanel, Albert Richter and August Kunz. A neat little sum was reported to have been made on the rummage sale held last

Saturday. The following ladies served on different committees: Mrs. B. P. Matocha, Mrs. Robert Busker, Mrs. Ralph Michalka, Mrs. Joe Hibner, Mrs. A. S. Valenta, Mrs. A. J. Matocha, Mrs. Chas. Sense, Mrs. Wm. Balhorn, Misses Mary Ellen Manning, Miss Amelia Mondrik, Miss Ola Richter, Mrs. Rudolph Richter, Mrs. Jerry Mkuia, Mrs. Frank Michalka. CHURCH PROGRAM

Program for annual Rally Day services at the Presbyterian church is being completed this week and will be given Sunday morning at 9:45 and concluded at 11:30 o'clock which will include the Sunday School and morning services combined. Judge Gillis Superintendent, will be in charge. The Sunday school will convene at 9:45 and march by classes into the main auditorium for the Rally program.

Following the Rally services, Rev. Acrey will briefly open the Evangelistic meeting which is to be concluded October 16. Members of the Presbyterian church are urged to support the meeting by attendance, prayer and personal work.

JOINT PARTY

Owing to the heavy rain Friday, the ice cream supper to have been held on the lawn of the Methodist church by the Wesley Bible Class, was given in the basement of the church, and was joined by the Senior Leaguers who met at the same place for a social event.

Game leaders, Miss Ima Wilson and Rev. W. W. Connerly kept up a lively interest among the guests. It was a very pleasant affair for those in attendance. The members of the Wesley class served ice cream and home made cake and received a small sum which will be added to the church debt fund.

TRIPLE FOUR CLUB

The Triple Four Contract Bridge Club held its first meeting of the season Wednesday afternoon of last week with Mrs. Julian Baskin and named officers for the coming season. Mrs. Eber Flinn was elected president and Mrs. George Childress Jr., secretary. The club will meet the first and third Tuesday's of each month.

GOOD CHEER BRIDGE CLUB

Beautiful fall roses and verbenias in baskets and bowls carried out a pretty pink and green color scheme when Mrs. Ray Burke entertained the Good Cheer Bridge Club Friday afternoon at her home.

This was the first meeting of the club for this season and a merry time was spent over the games, when completed found Mrs. H. E. Garner holding highest score. Mrs. J. S. Childers was consoled with low. Three new members were welcomed into the club, Mesdames J. L. Baltimore W. G. Harsha and Winnie Wittliff, who recently moved here from Dallas. Special guest of the club was Mrs. Harry Tag.

Small dresden baskets filled with pink verbenias lent beauty to the large serving trays where a dainty salad course was served by the hostess assisted by her sister, Mrs. Plate. The club will meet the second and fourth Friday afternoons of each month.

CAMERON HISTORY CLUB

The Cameron History Club met with its president, Mrs. W. E. Gaither, Tuesday afternoon at her home. Mrs. Graham Gillis was chairman of the Year Book committee and made her report.

Next meeting will be held with Mrs. J. C. Martin on Tuesday, October 11. Mrs. John B. Henderson will discuss the nine amendments to be voted on at the fall election and Mrs. Jeff T. Kemp will give a sketch of Franklin Roosevelt.

IS TEXAS SPENDING TOO MUCH FOR EDUCATION?

By F. BEN PIERCE

Every person who is a native Texan is proud of that fact. No state in the Union has had a more eventful history than the state of Texas and all Texans are justly proud of the achievements of the grand old state. As a part of the United States, Texas stands out as one of the foremost states in the industrial and economic phases of the life of the country. Does Texas ever stop and consider the educational situation within its own boundaries in the light that it should be considered?

In these so-called times of "depression" much is heard about the slashing of different expenditures in governmental affairs, particularly that of education. Let us consider some very pertinent facts and then decide if we should slash our educational expenditures and thereby lower our standards back to where they were a quarter of a century ago. According to a compilation of statistics by the Research Division of the National Education Association, the average expenditures per pupil enrolled in the public elementary and secondary

schools in continental United States was \$90.38, while this same expenditure in Texas was \$59.88. Only 12 states of this great nation of 48 states of ours spent less money per pupil than did Texas while New York spent \$168.81 per pupil. This amount is almost three times as much as what Texas spent. Do the children of the people of New York mean more to them than the children of Texas mean to this state? With the compilation of statistics which was referred to above again used as a basis, the average cost of education per child for one day is slightly above 41c. Not all of this 41c goes to the teacher. This amount includes all the school costs. Should Texans not bear in mind the fact that Texas schools are run so economically that they will give its children books, classrooms, equipment, playgrounds, and a day's instruction under a well trained teacher for less than the price of a good golf ball or a box of candy.

Do parents of the younger Texans owe it to their children to consider very carefully the many proposed methods of saving in school expenditures? The coming years will bring forth many more serious problems and a false step here can ruin the schools. Children improperly trained cannot solve them as they should be.

May the people not only of Texas, but of all of America as well, wake up and see the crisis that education is now facing and take steps to uphold our standards so that our children will be able to qualify as the type of citizen that America demands.
